

The image shows a standard European energy label for a Grundig refrigerator. At the top left is the European Union flag. To its right, the word "ENERG" is written in large letters, with "енергия · ενεργεια" below it. Further right are four circular icons containing the letters Y, IJA, IE, and IA. Below this header, the brand name "GRUNDIG" is prominently displayed, followed by the model number "GDSP5470DXSCH" and the barcode number "8897813600".

The central part of the label features a vertical scale of energy efficiency classes from A+++ (dark green) at the top to D (red) at the bottom. A black arrow points to the A+ class, indicating the product's energy rating. Below the scale, a box displays the energy consumption value "43 kWh/annum".

At the bottom, there are four icons representing different energy-related metrics: 1) A leaf icon for environmental friendliness with a scale from A to G. 2) A lightbulb icon for energy efficiency with a scale from A to G. 3) A water drop icon for water efficiency with a scale from A to G. 4) A speaker icon for sound power level, with the value "62 dB" displayed below it.

The label is framed by a blue border and includes the reference "65/2014" at the bottom left.
