

Energy Level- at 35°C Water Outlet

A+++

Energy Level- at 55°C Water Outlet

A++

- Energy Level- at 35°C Water Outlet :A+++
- Energy Level- at 55°C Water Outlet :A++

Functions & Features

Wired controller display	LCD	Auto-restart Function	Yes
Defrost Function	Yes	Energy Saving Mode(Fuzzy)	Yes
Hotstart	Yes	Timer Function	24 Hour
Cascade function	Yes	HomeWhiz® Tip veze	Wifi

Performance & Consumption

Seasonal space heating energy efficiency at 35°C Water Outlet under Average Climate Condition	175%	Seasonal space heating energy efficiency at 55°C Water Outlet under Average Climate Condition	132%
Energy Level- at 35°C Water Outlet	A+++	Energy Level- at 55°C Water Outlet	A++
Working temperature range Heating (°C)	-25-35	Working temperature range Cooling (°C)	5-48

Basic Definitions

Model Identifier for EPREL (EP)	Marketing Code + SKU number	Indoor Model Code (EP)	GPHH-MM14
Climate Class (AC)	T1	Napon	220 - 240 V
Frekvencija	50 Hz	Heating Type	Heat-pump

Refrigerant (EP)

R32
